**Any other information:**

**Pedagogy for the course:**

Icebreaker. 1) Participate in 'Join Hands Movement'. Individual identification of social issues. 2) Each Individual chooses one particular social issue which they would like to address. 3) Class to be divided in teams for the entire semester. All activities to be done in teams and the grades, credit points will be captured in the leader board in the class room. 4) Theory to introduce the participant Slam book to be used for capturing individual learning points and observations.

**Activity and Project Details:**

**Unit 1.**

- **Practical:** Research on the social cause each group will work for.
- Class discussion- Good and Bad Writing. Common errors, punctuation rules, use of words.
- Lucid Writing: (Theory and Discussion) encourage the students to go through the links given about Catherine Morris and Joanie McMahon's writing techniques.
- **Practical:** Plan and design an E Magazine. Apply and assimilate the knowledge gathered from Sem-1 till date. Share objective & guideline. All members to contribute an article to the magazine, trainer to evaluate the content.
- Create the magazine
- **SATORI - (Discussion)** Participants share the personal take away acquired from GD, writing and reading skills activities captured in their handbook. Share the most important learning points from the activities done so far and how that learning has brought a change.
- **Practical -**Use of electronic media to Launch an E Magazine.
- Revisit your resume Include your recent achievements in your resume.

*Amme*

Unit 2-

- Practical: Each group will form an NGO. Create Vision, Mission, Value statement, tagline and Design a logo.
- Theory and Video-Introduction to basic presentation skills & ORAI app
- Practical: Prepare and publish the Second episode of the E Magazine.
- Speed Reading Practice session
- SATORI - ( Discussion) Join the dots- Participants to connect their learning gathered from Research and NGO Design and share most important learning points

Unit 3-

- Discussion :Ad campaign- Brain storming session- Students to discuss and explore the means of articulating and amplifying the social issue their NGOs are working for
- Practical Followed by Presentation: Team Falcon Practical to identify individual personality traits with Belbin's 8 team player styles .
- Practical and presentation: Similar personality types to form groups (3) Groups present their traits.
- Practical: Prepare and publish the third episode of the E Magazine.
- SATORI - (Discussion) join the dots with participants personal life- Participants share the personal take away acquired from working in teams, GD, learning about presentations, presenting their NGOs Share the most important learning points from the activities done so far. Participants talk about the changes they perceive in themselves

Unit 4-

- Video and Discussion-Ten minutes of your time - a short film on diversity. Play the video (link to be attached in the FG)-
- Discuss key take away of the film. Theory to connect the key take away of the film to the concept of empathy.
- Practical and discussion-Touch the target (Blind man) ;Film: "The fish and I" by Babak Habibifar" (1.37mins)
- Practical-Groups to create a story - 10 minutes of a person's life affected by the social issue groups are working on. Narrate the story in first person. Feedbacks to be shared by the other groups.
- Practical: Research on a book, incident or film based on the topic of your respective NGO
- PPT, Theory, discussion - Session on Diversity & Inclusion- Different forms of Diversity in our society.
- PPT, Theory, discussion -Session on Diversity & Inclusion- Different forms of Diversity in our society.
- Practical: Teams to video record interviews of people from diverse groups (Ask 5 questions). Share the recordings in FB
- PPT, Theory, Practical and discussion
- Discussion on TCS values, Respect for Individual and Integrity.

*Amu*

- Practical-Prepare and publish the final episode of the E Magazine.
- SATORI – (Discussion) Participants share the personal take away acquired from working in teams, GD, learning about presentations and understanding diversity inclusion.

**Details of Internal Continuous Assessment (ICA)**

**Test Marks: 20**

**Term Work Marks: 30**

**Details of Term Work:**

**Unit 1**

- Quiz- 60 Minutes
- Group Practical – As a group, they will work on the social issue identified by them. Research, read and generate a report based on the findings. (Apply the learning and recap from the session)

**Unit 2**

- Quiz 60 minutes
- Groups to present their NGOs. Apply the learning gathered from practical session 1 from Unit 2. Presentation to be recorded by the groups. feedback from the audience/ Professor
- Group to come back and share their findings from the recording. Post work-individual write up to be written and evaluated for the E- magazine

**Unit 3**

- Quiz 60 minutes
- Design a skit- a) write the script articulating the message of their respective NGOs. Read out the script. (Skit time-5 minutes). Feedback of Theory.
- Promote the play through a social media and gather your audience. Enact the play. Capture the numbers of likes and reviews. Theory to assign grades to individual team.

**Unit 4**

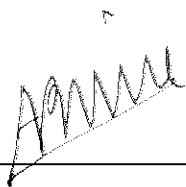

- Quiz 60 minutes
- Write a review in a blog on the topics they are covering in their research. Theory will give grades to each team.
- Debate on the topic of diversity with an angle of ethics, morality and respect for individual (In the presence of an external moderator). Groups will be graded by the professor.
- Prepared speech- Every student will narrate the challenges faced by a member of a diverse group in 4 minutes (speech in first person).
- **Project- Organize an event to generate awareness and get support for a cause**
  - 1) Each team to look for an NGO/ social group in the city which is working on the issue their college group is supporting. 2) Spend a day with the NGO/ social group to understand exactly how they work and the challenges they face. 3) Render voluntary service to the group for one day 4) Invite the NGO/ social

*Amu*

group to address their university students for couple of hours. Plan the entire event, decide a suitable venue in the university, gather audience, invite faculty members etc. (they need to get their plan ratified their professor). Outcome-- Host an interactive session with the NGO spokesperson 5) The groups to present their experience of a day with the NGO and inspire students to work for the cause.
